

## **Spectrum Buzzer**

ITEM#: WRL-BUZZ

powered by  Western Robotics

Congratulations on your purchase of the Spectrum Buzzer. This Spectrum Buzzer is specifically designed for Western Robotics' Spectrum LiPo Battery Monitors. The Spectrum Buzzer compliments the Spectrum LiPo Battery Monitor by providing a high decibel audible warning to the model operator when the Spectrum reports it's low battery strength level.

### **Features:**

- **High decibel buzzer for audible low battery indicator**
- **Sound output of 92 dBA**
- **Resonant frequency of 2.2kHz**
- **Small and compact size**
  - **Dimension: Dia. 16mm x H14.0mm**
  - **Weight: 7.1 gram**
- **Easy installation.**

### **Package Contents:**

- Spectrum Buzzer
- User Disclaimer Card

### **Installation:**

Connect the 3 pin connection of the high decibel audible buzzer to the right angle 3 pin male connector on Western Robotics' Spectrum LiPo Battery Monitor unit (sold separately). Securely mount the buzzer and direct the buzzer in the general direction of the user during operation.

### **Disclaimer and Limitation of Liability**

Western Robotics Ltd. shall have no liability or responsibility to the user of any other party or entity with respect to any liability, injuries, loss or damage, cause or alleged to be caused, directly or indirectly, for equipment sold, furnished or supplied by Western Robotics Ltd..

Notwithstanding the above limitations, Western Robotics Ltd. is not liable for damages incurred by customers or to the customers. Western Robotics Ltd. is not liable for the particular equipment involved.

Neither Western Robotics Ltd. nor this document makes any expressed or implied warranty, including, but not limited to the implied warranties of merchantability, quality or fitness for a particular purpose. Specifications are subject to change without notice.

### **Limited Warranty (North America Only)**

The Spectrum Buzzer is guaranteed to be free from defects in material and workmanship for a period of 90 days from the date of purchase accompanied by the proof of purchase or invoice. Warranty does not cover damage due to improper use or incorrect installation.

During the 90 day warranty period, if the product shows defects caused by abuse, accident or misuse, it will be repaired or replaced upon Western Robotics Ltd. sole discretion, at a service charge not greater than 40% of the current retail list price. Please ensure to include your contact information before any repair(s) or replacement(s) can be conducted. Under no circumstances or condition will the purchaser be entitled to consequential or incidental damages. In no case shall our liability exceed the product's original cost. We reserve the right to modify warranty provision without notice. Because Western Robotics Ltd. has no control over connection and use of this product, no liability may be assumed nor will be accepted for damage resulting from the use of this product, user accepts all resulting liability. If you attempt to disassemble, modify or repair this unit yourself, it may void the warranty.

For warranty service on Western Robotics product(s) in, out or off warranty period, please send the defective unit(s) along with the proof of purchase and a description of the problem, postage paid, to the given address below.
